

# PLEWLANDS POLLED SHORTHORNS

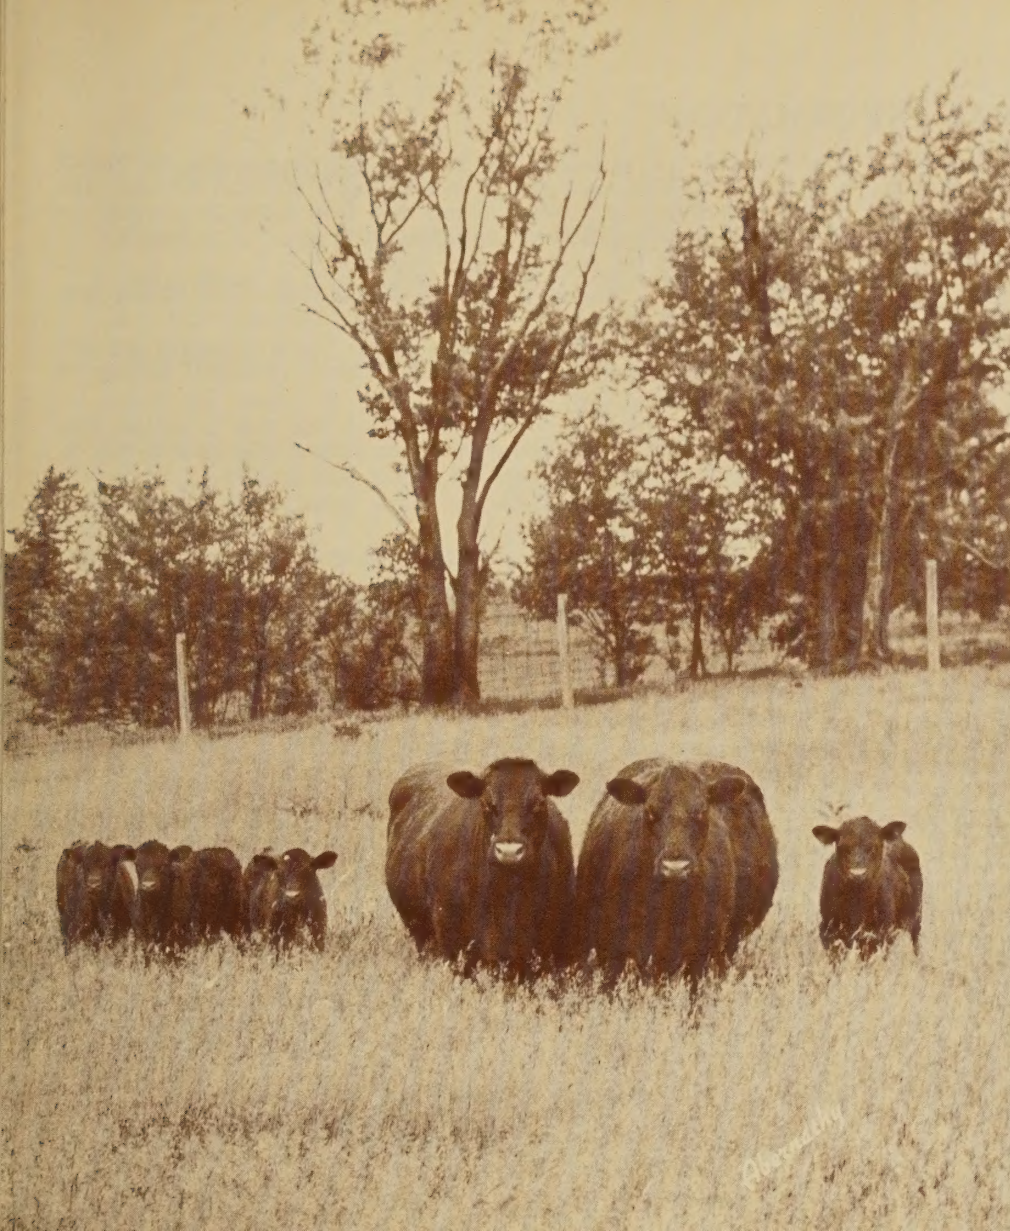

REDUCTION SALE  
SATURDAY, JUNE 10, 1967  
CUMBERLAND, ONTARIO

### **ON THE FRONT COVER**

Two great individuals in any breed are Rustlers Maid 27 N, the AAA cow in the Plewlands herd, and Lynnwood Polestar x, the senior stock bull whose get and service will be a feature of this sale. He sells as Lot 1. Many members of the Lancaster Maid cow family are also included in this sale.

**PLEWLANDS**

**Polled Shorthorn  
REDUCTION SALE**

**SATURDAY**

**JUNE 10, 1967**

**CUMBERLAND  
ONTARIO**

Strong Polled Shorthorn cows like these are a good investment in any part of the world. Whether in the windswept Prairie Provinces or the steaming South, they will grow and produce regularly and profitably.

## GENERAL INFORMATION

**TIME AND PLACE** — Saturday, June 10, 1967, at Angus Wilson's Plewlands Polled Shorthorn Farm, Cumberland, Ont. Take the Transcanada Highway 17, east from Ottawa approximately 15 miles to Cumberland. Signs will direct you to the farm which is only a short distance from the Transcanada. Sale begins promptly at 12:30 p. m.

**TRANSPORTATION** — Ottawa is a main transportation center and is easily reached by any means of transportation. Given advance notice to the farm or to the sale manager, we will be happy to meet your train or plane.

**HOTEL ACCOMMODATIONS** — Sale headquarters will be the Normandie Motor Hotel, Orleans, Ont., a short distance from the farm on the Transcanada Highway 17. Because of the large number of persons who will be traveling to Expo '67 in Montreal, **we urge you to make your reservations as far in advance as possible.** In Ottawa we also recommend the Chateau Laurier and the Lord Elgin Hotels. Again, reservations far in advance are strongly advised.

**AUCTIONEER** — Burt Pepper, Box 21, Neustadt, Ontario.

**GUARANTEE** — All cattle will be sold under the standard guarantee endorsed by the American Shorthorn Ass'n.

**HEALTH** — All cattle will be sold under the laws of Ontario and will comply for entrance to the United States. Official calfhood vaccination of females has been practiced for many years. Plewlands is in an area certified free of both tuberculosis and brucellosis. All cattle will have passed negative blood tests in advance of the sale and appropriate health papers will be provided. All females that have been in calf long enough will be pregnancy checked.

**TERMS** — The terms of the sale are cash. Checks should be handed to the clerk immediately following the auction. Please be sure to have the clerk record your shipping instructions. All announcements at sale time, written or oral, supercede any written material in this catalog.

**LIABILITY** — Plewlands Polled Shorthorn Farm, its owners or employees, accept no liability for accidents that may occur. Accidents at cattle sales are very rare, but all attending must do so at their own risk. The sale manager, auctioneers, and clerks were employed by the owners for specific tasks, promotional and clerical, and have no connection with the handling of the cattle, the

condition of the premises, fulfillment of guarantees, or health papers. The sale of each animal constitutes a contract between the buyer and seller of each lot, but the sale manager cannot be responsible for the fulfillment of that contract.

**LUNCH** — Will be available sale day.

**TELEPHONES** — Angus Wilson (613) 833-2819. Lew Richardson (613) 833-2785.

**FURTHER INFORMATION** — The owner, farm manager or sale manager will be glad to give you his critical appraisal of any of the cattle listed.

**MAIL BIDS** — We hope it will be possible for you to attend this sale. If it is not, there are many competent representatives to whom bids may be sent, each of whom will attend.

**E. H. Stoltz**, Canadian Shorthorn Ass'n, Gummer Building, Guelph, Ontario.

**C. D. Swaffar**, executive secretary, American Shorthorn Ass'n, 8288 Hascall St., Omaha, Nebraska.

**Harris Simons**, The Shorthorn World, 16 S. Locust St., Aurora, Illinois.

**C. K. Tomson**, Harding & Harding, Geneva, Illinois.

**W. L. Elliott**, secretary, Ontario Shorthorn Club, R. 4, Guelph, Ontario.

**Gene McDonald**, The Shorthorn World, 16 S. Locust St., Aurora, Illinois

**Ross Bailey**, Uxbridge, Ontario.

**Norman A. Rivington**, Navan, Ontario.

**INSURANCE** — Will be available at the sale.

**PREMIUM ON U. S. FUNDS** — The U. S. dollar in Canada is at a premium of about 7% in Canada. This exchange differential more often than not pays the buyer's cost of transporting his purchases home.

**Angus Wilson, owner**  
Cumberland, Ontario  
Tel: (613) 833-2819

**Lew Richardson, herdsman**

**HARRIS SIMONS, Sale Manager**  
16 S. Locust St., Aurora, Illinois 60506  
Tel: (312) 896-8511

## Transportation

Ottawa is a main transportation center and is easy to reach by train, plane or car. Given advance notice to the farm or to the sale manager, we will be happy to meet you in Ottawa. For those driving, modern, four-lane highways converge on Ottawa from all parts of the continent. The farm itself is located about 15 miles east of Ottawa, just off the Transcanada highway (17). When you reach Cumberland, signs will direct you to the farm.

The Normandie Motor Hotel, Orleans, Ont., is sale headquarters. It is just a short drive from the farm on the Transcanada highway (17).

## Sale Headquarters

Sale headquarters is the new, modern Normandie Motor Hotel, Orleans, Ont., on the Transcanada Highway (17), just a short distance from the farm. Since the farm is but a two-hour drive from Montreal and Expo '67, **we urge you to make reservations far in advance.** We will do our best to assure motel space for everyone, but we cannot guarantee rooms for those arriving the day before the sale without reservations. For those preferring to stay in Ottawa, about 20 minutes from the farm, we recommend both the Chateau Laurier and the Lord Elgin Hotels.

### ARRIVE EARLY

Please feel free to come as far in advance of the sale as you like. Plan to be our guest at an informal get-together at the farm the night before the sale.

# *Welcome to Plewlands --*

It will be a great pleasure to welcome you to Plewlands on June 10. The farm should be at its most beautiful and we believe our Polled Shorthorns will make your trip worthwhile, no matter where you may live.

At Plewlands, Shorthorns have been bred for more than 70 years. Throughout the period, only the best of Scottish, Canadian and American bulls have been used with an eye both toward superior conformation and dependable heritage.

The constant emphasis has been on size, substance and regularity of production. The cattle are handled in open sheds throughout the winter. Although strict attention is paid to proper nutritional requirements, little supplemental feed is given.

To reduce the herd substantially was not an easy decision but it was necessary. The herd has outgrown our facilities and, for my own part, my physician has suggested that I cut down on my responsibilities.

This sale certainly does not mean the end of the Plewlands herd. About 15 females will be retained as a herd nucleus. They are not necessarily our best cows. Rather, they have been chosen as representative of each of the families that have been good to us for so many years.

We hope you can arrive well in advance of the auction itself. The farm is easy to reach and is located within a two-hour drive of Expo '67 in Montreal. A number of other well-known Shorthorn and Polled Shorthorn herds are within easy driving distance.

Come as early as you like. Join us for dinner the night before the sale at the farm. We'll do our best to make your visit both pleasant and profitable.

Cordially,

*Angus Wilson*

**We encourage you to attend the**

## **LOUADA ALL-FEMALE SALE**

**Monday, June 12, 1967**

**At LOUADA MANOR FARMS**

**Peterborough, Ontario**

Louada is located near Peterborough, Ont., a comfortable half-day's drive from Plewlands. Modern four-lane highway will take you nearly all of the way. There is also good plane and train service between Ottawa and Toronto. Peterborough is about a two-hour drive from Toronto.

## **Invest In Your Future**

For 70 years, Polled Shorthorns have roamed the lush pastures at Plewlands in the shade of the beautiful old maple trees. In that time they have become known as cattle of exceptional size and substance.

From modest beginnings, the Plewlands herd has grown and prospered. Its support of breed activities has been unceasing, both in the United States and Canada. The Plewlands cattle have won wide acceptance in sales from Brandon, Man., to Noblesville, Ind. And, they have done well for their new owners.

This reduction sale is your chance to buy a part of the 70-year Plewlands heritage. Their cattle are not pampered little things. Rather, you will find big, strapping brood cows that produce regularly and well. They are backed with the strongest Shorthorn and Polled Shorthorn heritage from Canada, Scotland and the United States.

Here is an opportunity to make sound investments that will grow and prosper. They are sound cattle that can give you the scale that breeders are so urgently seeking today.

**BURNTON RUSTLER —**

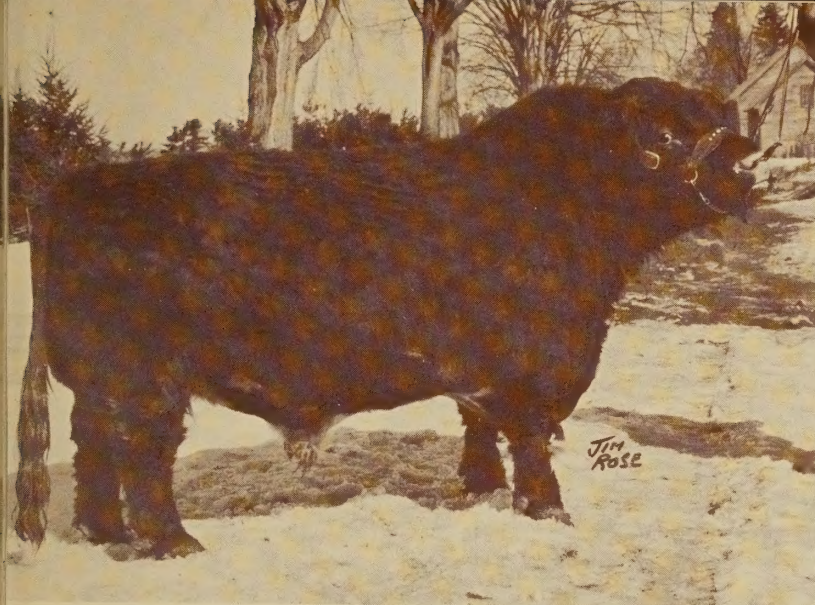

This bull left Plewlands more useful females than any bull that has been used in the herd with the exception of the ones we have by Lynnwood Polestar x. You will note that a number of the cattle selling in this sale are out of Burnton Rustler dams. You can be sure that they are big, sound, good-producing females.

His sire, Beaufort Bolido (pictured below), was the 1948 Perth junior champion and went on to become one of the most noted Shorthorn sires of the century. Sons of this bull have seen service in the leading herds throughout the world. We feel sure that one of the best saw service right here at Plewlands.

**BEAUFORT BOLIDO**

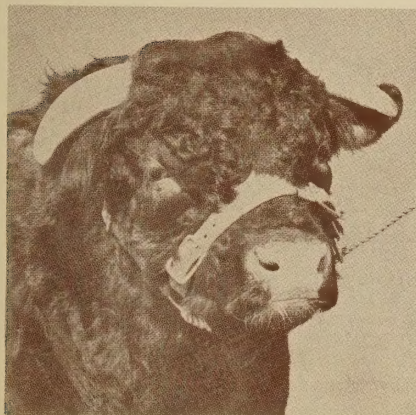

**LYNNWOOD POLE STAR x**

**HIS DAM'S SIRE**

## **BEAUFORT BULLDOZER**

The sire of the dam of Lynnwood Polestar x and a bull that needs no introduction to breeders anywhere. His record at Edellyn was unsurpassed. Edellyn Doris 7th is certainly one of the best females he ever sired.

## **LYNNWOOD POLE STAR x**

Here is the bull many feel is the best his illustrious sire ever produced. (See the following pages for more information on his half brothers.) Polestar is a big bull, weighing over a ton on pasture. Please note his bone and great feet. The daughters that we are keeping and the ones selling in the sale are a grand lot. We are sure that you will appreciate their quality and uniformity. Polestar is still a young sire with years of breed improvement ahead. Reluctantly we part with him but we feel that there is a herd that can make more use of him since the 15 cows we will retain are mostly his daughters.

**CARONA FASCINATION x**

## **L F FASCINATION x**

The 1954 International grand champion bull, he went on to write pages of breed history in the Landen and Tulleevin Farms herds in Ohio. His sons have carried on the great improvement that this line brought to the breed. One was reserve grand champion of the 1956 International and sired great cattle for Leemon Farms, Hoopston, Ill. The daughters of L F Fascination x are noted for their character. In the 1965 Tulleevin dispersion 35 of them were eagerly sought by herds from throughout the continent and commanded high prices.

# **The Sire of Lynnwood Pole Star x**

## **CARONA FASCINATION x**

The greatest International champion sire of International champions the breed has ever known. He is still going strong at 17 years of age. Pictured on these pages with him are his three International grand champion sons, one son that was International reserve grand champion; one grandson that was International grand champion, and one son that has written breed history in one of the breed's strongest herds. This is just a sampling of the great breeding sires that this line has produced. Many cattlemen feel that Lynnwood Polestar x is the best son of Carona Fascination x. You have in this sale an opportunity to give your herd a strong infusion of this blood.

**L F FASCINATION x**

**EL-VI-DOR C FASCINATION x**

## **EL-VI-DOR C FASCINATION x**

The 1958 International grand champion bull, he has proved to be one of the most prepotent bulls of the breed. Glatwyn Farms in Indiana have shown numerous champions and top-sellers by this great sire including the 1965 International grand champion Glatwyn Regime x.

## **HALF BROTHERS TO LYNNWOOD POLE STAR x**

### **LYNNWOOD COPYRIGHT x**

Left in the pair, he was the 1959 International reserve grand champion bull and later went on to sire champions at every major show for Westward Way Farms in Illinois.

### **LYNNWOOD RINGLEADER x**

Right in the pair, he was selected by Sutherland Farms in Kentucky to head their new polled herd at the top of the 1958 Lynnwood All-Bull Sale. Today his daughters are the nucleus of that good herds and his sons have gone into the strongest herds.

**LYNNWOOD NOBLEMAN x**

## **LYNNWOOD NOBLEMAN x**

The 1960 International grand champion bull. He was acclaimed by all who saw him. He has seen heavy service in the Watson herd in Indiana where he sired the reserve grand champion steer over all breeds of the 1964 International.

**LYNNWOOD COPYRIGHT x (left)  
LYNNWOOD RINGLEADER x**

**GLATWYN REGIME x**

PLEWLANDS DRUMMER x — A combination of the breeding that has worked so well; Lynnwood Polestar x working on Fascinator Standard x cows. Here is size, substance and doing-ability. The dam of this bull sells as Lot 22.

## GLATWYN REGIME x

The 1965 International grand champion bull sired by El-Vi-Dor C Fascination x. He has been described as the near-perfect model. The first calves at Glatwyn are the best they have ever owned. Here's more proof that this line breeds on and on.

**WALNUT GOLD STANDARD 33rd x (right)**

Selected to bring the cross of Fascinator Standard x into the herd, he has more than fulfilled our highest expectations. Today he weighs more than 1,900 pounds and is siring cattle that we like. They are the kind that gain, grow and still retain their type. Please see page 24 of this catalog for more information on Fascinator Standard x. There are a number of daughters of Walnut Gold Standard 33rd x in the sale and many of the females carry his service.

**WHITE OAK ROTHES x** wrote history in the breeding units of Ontario. His calves made fantastic gains and were in demand by commercial men and registered breeders alike. He was the senior sire at Duncan Brown's where he sired Walnut B Standard 5th x, the sire of Walnut Gold Standard 33rd x.

Two of the beautiful females that will sell June 10.

## Foundation Females Sell

There are 49 females selling in this sale. Since it is a herd reduction, you are sharing the females that have been an integral part of our herd. We have not kept back the best ones, but rather we have retained one or two members of each family . . . most of them daughters of our two sires, Lynnwood Polestar x and Walnut Gold Standard 33rd x. The dams of the full sisters and half sisters to the ones we are keeping are all selling. It is with great confidence in their ability and great personal satisfaction that we offer these females to you.

## THE RANSOM MAIDS

This is the cow family that produced the world record-priced Polled Shorthorn bull Gloriadale Bonaparte x (pictured at right) in service for our good friends at Gloriadale and Tutira. The foundation cow, Lancaster Maid 4 A x, was bred in the Ranck herd in Indiana. There are ten members of this tribe selling in this sale. We recommend them highly. They are valuable brood cows.

PLEWLANDS STRATHALLAN 28W — A real buying opportunity. Nowhere but in this sale can you find breeding such as this. Carona Fascination x and Fascinator Standard x rank in history as two of the most important bulls of the breed. The dam of this heifer sells as Lot 15. Dehorned. Sells open.

## **FASCINATOR STANDARD x**

A book could be written about this bull. His influence on Polled Shorthorns throughout the world is a record of the advancement of the breed.

He was bred by Lynnwood Farm, Carmel, Ind., and was purchased to found the polled herd at Birmingham Farms, Kingston, Ont. After his use there, he went to the herds of Duncan Brown and Harvey Kendall.

Fascinator Standard x was a 100% dehorner and his use on the great imported cows at Birmingham produced a number of breed-building bulls. Included were Birmingham Millhills Democrat x, Birmingham Democrat 2nd x, Birmingham Calrossie Randolph x and Birmingham Scotston Wanderer x. These bulls are easily recognized as breed improvers.

He also was a bull of tremendous size and substance. His calves on official test in Ontario topped all other breeds and set records that still stand today.

At the time of the Brown dispersion, Plewlands wanted to add as much of this great sire's blood to the herd as possible. That is why the number of females selling in this sale carrying his blood is large. The senior stock bull, Walnut Gold Standard 33rd x, was also selected in the Brown dispersion for the same reasons.

PLEWLANDS MELBA 20W x — This is the kind we expected from Walnut Gold Standard 33rd x. She will make a valuable brood cow for just about any herd. It's all here — size, substance, the right kind of conformation. Sells open. Her dam sells as Lot 19.

**LYNNWOOD PREMIER x (right)**

The \$8,000 son of Carona Fascination x that was selected for use in the Birmingham herd, he carried the strongest of pedigrees. His dam was a great daughter of Lynnwood Beacon x and from a family of cows that were among the best to ever cross the ocean. Corsindae Royal Princess 3rd produced seven stock bulls at Lynnwood, each of which bred well in his respective herd.

## SIZE AND SUBSTANCE AT PLEWLANDS

For seventy years the Plewlands cow herd has been selected for size, substance, and doing-ability. A look at the bulls used in recent years will give an insight into how concentrated the effort along these lines has been. Burnton Rustler was a strong, big bull that left a great lot of females. As many daughters of Fascinator Standard x as could be purchased were added to the herd. Walnut Gold Standard 33rd x was selected in the Brown Dispersion for the purpose of furthering the Fascinator Standard x influence, and he matured to more than 1,900 pounds. Finally Lynnwood Polestar x was added as senior stock bull. He approaches a ton running in the pasture. That's why you can purchase the cattle in this sale and know that they will grow and mature into big, sound, breeding cattle.

PLEWLANDS EMMA 18R — The dam of Lots 25 and 26.  
This great producer has a daughter in the National Show-  
case herd at Ottawa. One of the few daughters of Burnton  
Rustler for sale anywhere. She will calve before sale time.

## THE LADY AUGUSTAS

Not many of these Lady Auugstas have ever left the farm. That should give some indication of the esteem in which we hold them. Only a herd reduction such as this could pry them away. Nine sell. Both of the foundation cows, Lady Augusta 12J x a, Lot 28, and three of her daughters, and Plewlands Lady Augusta 8R and three of her daughters are included. These two cows are from the same great producer, Lady Augusta 30G. There will not be many opportunities such as this one.

PLEWLANDS LADY AUGUSTA 3X x --- The last year's calf from Lot 32 and a full sister to Lot 35. We have a lot of faith in this Augusta cow family. Sells open.

**BIRMINGHAM DAUNTLESS 2nd x**

He was one of the most outstanding polled bulls of recent years. He was a culmination of a breeding program that saw the best blood of Scotland combined with a polled head. His record as a sire in the strong Birmingham herd will be hard to match anywhere. His influence in this sale is through a daughter, Lot 34, and several granddaughters.

PLEWLANDS AUGUSTA 8U x — A great daughter of Birmingham Dauntless 2nd x and from a Burnton Rustler dam. What a combination. She will calve before sale day to the service of Walnut Gold Standard 33rd x.

PLEWLANDS AUGUSTA 26W — A Lynnwood Polestar x heifer out of Lot 34. This is one of our best open heifers.

Left — BRIARDALE PRINCESS DELICIA 3rd  
Top-selling female of a former International  
Congress Sale in Chicago at \$2,700 to the  
Browns of Kentucky, she is of the same cow  
family as Lot 37.

Right — BIRMINGHAM NUGGET 3rd x  
He was exported to Australia for use in im-  
proving that government's beef cattle. His  
use in the Birmingham herd before export was  
extensive and his progeny have furthered the  
breed on all fronts in Canada and the United  
States. Several of the females selling are  
backed with this important blood.

**PLEWLANDS DAWN 27X x sells as Lot 53.**

PLEWLANDS DAWN 27X x — We should really be keeping this young heifer. However several people have insisted that she be included in the offering, so here she is. Note that this is the Daybreak family of cows that have produced a number of stock bulls including the International grand champion Dandy of Westdrums x and Duke of Westdrums x. These were the first two polled bulls to be imported to this continent from Scotland.

## Plan A Shorthorn Weekend

Plewlands is ideally located for a wonderful Shorthorn and Polled Shorthorn trip. Come far enough in advance of the sale to visit the many good Shorthorn and Polled Shorthorn herds in eastern Ontario and nearby Quebec. Expo '67 is only two hours away from the farm and buses will leave from Ottawa every 10 minutes between 8 and 9 a.m. each day, returning that evening.

**June 9** — Spend the day at Plewlands inspecting this reduction sale offering. Be our guest at an informal get-together at the farm that night.

**June 10** — Plewlands Polled Shorthorn Reduction Sale.

**June 11** — On to Louada Manor Farms, Peterborough, Ont., for their All-Female Sale. Join the Shorthorn gang from all parts of the continent.

**June 12** — Louada Manor Farms All-Female Sale, Peterborough, Ont.

## ATTEND EXPO '67

Ottawa is a comfortable two-hour drive from Montreal and Expo '67. Why not bring the entire family for an educational vacation trip combined with a pleasurable Shorthorn and Polled Shorthorn excursion.

You can drive easily to Expo on the Transcanada Highway. Or, leave your car in Ottawa. Buses will leave the hotel area every 10 minutes between 8 and 9 a.m. and return each evening.

Plewlands is also located near many well-known Shorthorn and Polled Shorthorn herds in eastern Ontario and Quebec. Each of these breeders would welcome your visit.
